Supplemental Material may include, but is not limited to, data sets, audio-visual interviews, and footage including podcasts (audio only) and vodcasts (audio and visual), appendices, and additional text, charts, figures, illustrations, photographs, computer graphics, and film footage. Contributors' grant of a non-exclusive right and license to Association for Business Communication for these materials in no way restricts re-publication of the Supplemental Materials by Contributors or anyone authorized by Contributors.

3. U.S. Government Works

If the Contribution is a U.S. Government work, then Contributors hereby certify that all Contributors were officers or employees of the United States Government at the time the Contribution was prepared and that the Contribution was prepared by Contributors as part of their official government duties. Association for Business Communication acknowledges that under the U.S. Copyright Act of 1976, as amended, United States copyright protection is not available for U.S. Government works, which are considered to be in the public domain in the United States. Association for Business Communication acknowledges that Contributors' execution of this Agreement documents their permission to Association for Business Communication to publish the Contribution and signifies that the Contributors agrees with all other terms of this Agreement, but does not convey an exclusive license to Association for Business Communication to publish the Contribution. Association for Business Communication acknowledges that contributors of U.S. Government works may not be able to accept complimentary copies of their contribution, or may only accept the complimentary copies on behalf of their employing agency, and Association for Business Communication will follow Contributors' preference with respect to providing complimentary copies.

4. Works Prepared Under U.S. Government Contract or Grant

If the Contribution was prepared under a U.S. Government contract or grant, Association for Business Communication acknowledges that the United States Government reserves a royalty-free non-exclusive and irrevocable right to reproduce, publish or otherwise use the Contribution for official United States Government purposes only, and to authorize others to do so, if the U.S. Government contract or grant so requires. However, such works will not be considered U.S. Government works, as described previously. Upon request, Contributor will provide Association for Business Communication with the

contract number of the U.S. Government contract or grant and/or copy of the contract.

5. Contributors' Credit

Each Contributor will receive credit as an author of the Contribution when it is published in the Journal; the form and placement of the credit will be determined by SAGE. The Corresponding Contributor is responsible for providing the name and contact information of each Contributor to the Editor and/or SAGE in order to ensure accurate credit. Each Contributor grants Association for Business Communication and its licensees and grantees the right to use such Contributor's name, likeness, biographical information, and professional credits on copies of the Contribution and the Journal and in connection with the exercise of any other of Association for Business Communication's rights granted hereunder and in advertising, marketing, and promotion in connection therewith, and to grant such rights to any licensees or assigns of Association for Business Communication's rights hereunder.

6. Copyediting; Proofreading; Color Images

The Editor and/or SAGE may copyedit the Contribution and Supplemental Materials, if any, for clarity, brevity, accuracy, grammar, word usage, and style conformity and presentation as the Editor and/or SAGE deems advisable for production and publication in the Journal. Corresponding Contributor shall proofread proofs of the Contribution and indicate any proposed corrections or other changes and their timely return to SAGE as directed, with time being of the essence. SAGE may charge to Contributors the cost of making extensive text changes in proofs requested by Corresponding Author at a rate of \$2.00 per line. If corrected proofs are not timely returned, SAGE may proceed with the publication of the Contribution as it deems appropriate. In the event Contributor desires to include color images in the Contribution as published in the print edition of the Journal, Contributor shall notify Editor, and Editor will advise Contributor of any additional charges, at the Journal's then-current rate, that may apply. Color images may be included in Contribution as published in the online edition of the Journal at no charge.

7. Termination

This Agreement must be signed by or on behalf of all the copyright holders in the Contribution as a condition of publication. Association for Business Communication makes no guarantee that the Contribution will be published in the Journal. If for any reason the Contribution is not published in the Journal, then all rights in the Contribution granted to Association for Business Communication shall revert to Contributor and this Agreement shall be of no further force and effect, and neither Association for Business Communication nor Contributors will have any obligation to the other with respect to the Contribution.

8. Dispute Resolution

In the event a dispute arises out of or relating to this Agreement, the parties agree to first make a good faith effort to resolve such dispute themselves. Upon failing, the parties shall engage in non-binding mediation with a mediator to be mutually agreed on by the parties. Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, which the parties can not settle themselves or through mediation, shall be settled by arbitration in Los Angeles, California and administered by the American Arbitration Association in accordance with its then-existing Commercial Arbitration Rules. The award rendered by the arbitrator or arbitrators shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof. The parties consent to, and waive any right to object to, jurisdiction with respect to the resolution of disputes hereunder in Los Angeles, California. In any legal action or other proceedings (including arbitration proceedings) between the parties, the prevailing party shall be entitled to recover from the non-prevailing party all reasonable costs and expenses incurred in such action or proceeding, including without limitation, reasonable attorneys' fees and costs.

9. Governing Law

The validity, interpretation, performance and enforcement of this Agreement shall be governed by the laws of the State of California without regard to its conflicts of laws provisions which would give rise to the application of domestic substantive law of any other jurisdiction. Subject to Section 7, each party

hereby consents to the jurisdiction and venue of the courts of the State of California located in Los Angeles County and of the U.S. District Court for the Central District of California.

10. Electronic Signature Authorization

This transaction may be conducted by electronic means and the parties authorize that their electronic signatures act as their legal signatures of this Agreement. This Agreement will be considered signed by a party when his/her/its electronic signature is transmitted. Such signature shall be treated in all respects as having the same effect as an original handwritten signature. (Contributors are not required to conduct this transaction by electronic means or use an electronic signature, but if Contributors choose to do so, then Contributors' authorization is hereby given pursuant to this paragraph.)

11. Modification; Entire Agreement; Severability

No amendment or modification of any provision of this Agreement shall be valid or binding unless made in writing and signed by all parties. This Agreement constitutes the entire agreement between the parties with respect to its subject matter, and supersedes all prior and contemporaneous agreements, understandings, and representations. The invalidity or unenforceability of any particular provision of this Agreement shall not affect the other provisions, and this Agreement shall be construed in all respects as if any invalid or unenforceable provision were omitted.

CONTRIBUTORS' RESPONSIBILITIES

Association for Business Communication is sympathetic to the needs of scholars to include other copyrighted material in their Contribution and is happy to provide guidance on this. Responsibility for obtaining permission for any copyrighted material that cannot be included under the Fair Use doctrine rests with Contributors.

The permission must cover all media and all languages throughout the world in perpetuity. Contributors are responsible for the payment of such permissions.

Please note: Whether the material is being used with permission, or on the basis that it falls under "fair dealing" or "fair use", full citation for the copyright holder and original publication of the material must be included with the submission.
